Chairperson's Message

Dear Colleagues,

On behalf of the Emirates Orthopaedic Society, I would like to express our deepest gratitude to each of you for making the **13th Emirates Orthopaedic Society Meeting** and the **1st Gulf Knee Course** an exceptional success.

The overwhelming turnout and vibrant energy this year exceeded all expectations. Your presence, engagement, and shared expertise not only made this event memorable but have challenged us to keep this momentum going and work even harder to deliver even better editions in the future.

The 13th edition brought together the brightest minds in orthopaedics to foster collaboration, share groundbreaking research, and advance patient care. The congress featured an exceptional assembly of distinguished speakers and renowned orthopaedic surgeons from around the world. The scientific agenda encompassed a diverse array of compelling topics within various orthopaedic specialties, attracting a substantial number of delegates who greatly benefited from the wealth of scientific material and information offered by the congress.

Your dedication to the field of orthopaedic surgery is what drives this community forward. We are already brainstorming ways to elevate the experience for our next annual meeting, incorporating your feedback to ensure we continue to provide world-class medical education.

Thank you once again for your incredible support, passion, and commitment. We look forward to welcoming you back for the **14th Emirates Orthopaedic Society Meeting** and the **1st Hip 360 and Foot & Ankle Courses** on **November 27-29, 2026** in Dubai, UAE.

Opening Ceremony & Exhibition Inauguration

The opening ceremony of the **13th Emirates Orthopaedic Society Meeting & The 1st Gulf Knee Course** began with the United Arab Emirates National Anthem followed by Holy Quran Recitation.

The chairman of the congress, **Dr. Ali Al Belooshi**, delivered an inspiring speech, marking the official commencement of the event. In his address, **Dr. Ali Al Belooshi** extended a warm welcome to the attendees and expressed his excitement about leading a congress of such academic significance.

He underscored the congress' role in education and networking, urging participants to capitalize on the valuable opportunities it presented.

Following the inaugural speech, the guest of honor, **Dr. Younis Kazim**, took the stage to deliver a speech emphasizing the critical role that congresses like the 13th EOSM play as platforms for learning and catalysts for skill development. He highlighted the Department of Health's eager and successful support for academic congresses.

The ceremony concluded with the inauguration of the Exhibition Area by the Guests of Honor and the Congress Committee.
